2017 MUSKEGON HEIGHTS MH-1040 INSTRUCTIONS

WHO MUST FILE A RETURN

Every individual who had \$600.00 or more of Muskegon Heights taxable income during 2017, must file a City of Muskegon Heights Individual Income Tax Return, Form MH-1040.

The filing of a declaration of estimated tax does not excuse a taxpayer from filing an annual return even though there is no change in the declared tax liability or an additional amount of tax due.

Partnerships, corporations, estates and trusts shall file on forms provided for their specific use.

Filing must be made on City of Muskegon Heights forms. Other cities' forms are not acceptable.

The fact that a taxpayer is not required to file a federal income tax return does not relieve him/her from filing a Muskegon Heights tax return.

MARRIED PERSONS - JOINT OR SEPARATE RETURNS

Married persons may file either a joint return or separate returns. If a joint return is filed, all income of both husband and wife must be included in the return. A joint return must be signed by both individuals, otherwise, it will not be treated as a joint return. Both names must be listed in the heading (i.e. John A. and Mary B. Doe).

If separate returns are filed, neither spouse can claim the other as a dependent on their separate return. In addition, children and other dependents may only be claimed by the spouse who claims such dependents under the Federal Internal Revenue Code.

Couples married during the year where one spouse had a different residency status than the other may file separate returns, based on each one's place of employment and residency during the year, or the couple may file a joint return using Form MH-1040TC to compute their tax.

EMPLOYERS THAT DID NOT WITHHOLD

On page 2, Schedule J, list employers who paid you or your spouse wages in 2017, but did not withhold Muskegon Heights income tax and did not furnish a city copy of Form W-2 for Muskegon Heights.

AMENDED RETURNS

An amended return, use MH-1040 write in amended, must be filed where necessary to report additional income, pay additional tax due, or claim an additional refund. An amended return is due within 90 days of the date of a final determination of a federal tax liability which also affects the city income tax liability.

INSTRUCTIONS FOR PAGE 1

Enter your name, social security number, address and occupation in the boxes provided.

If a joint return, enter spouse's first name, social security number and occupation.

Social security numbers must be correct and agree with those on the attached W-2 forms. THIS IS IMPORTANT.

Enter the name of your present employer.

If a joint return, enter spouse's present employer.

If married and filing a separate return, enter your spouse's name and social security number in the separate return box. If you were married in 2017 and had a different residency status from that of your spouse, file separate returns or use Form MH-1040TC.

Check the proper box to indicate your residency status.

If you were a resident for only part of 2017, use form MH-1040TC to compute your tax and attach it to the MH-1040 filed.

Complete the exemptions section by checking the boxes that apply to yourself and spouse, if a joint return. Enter the first names of dependent children that live with you and the total number of other dependents, their full names and relationship, and the total number of exemptions claimed.

In column I, enter income from Federal Return. In column II, enter income NOT subject to Muskegon Heights income tax (exclusions). Explain exclusions by completing the schedules on page 2 or on separate schedules attached to the return.

ATTACH COPIES OF FEDERAL SCHEDULES TO SUPPORT ALL ENTRIES ON LINES 6, 7 AND 10 OF COLUMN I.

Subtract column II from column I and enter difference in column III. If there are no exclusions in column II, use column III only. Support figures with schedules.

Multiply the number of exemptions allowed by \$600.00. Include the extra exemptions allowed by Muskegon Heights for an individual 65 or older, blind, deaf or paraplegic, quadriplegic, hemiplegic or totally and permanently disabled. Individuals claimed as an exemption on a parent's return may claim themselves on their own return.

Multiply line 17 by the proper tax rate to compute tax liability.

Be sure Muskegon Heights tax withheld as claimed on line 19 agrees with the total tax withheld on the W-2 forms attached to return.

The credit for payment of 2017 Estimated Income Tax, line 20 is the actual amount paid to the city for the 2017 tax year, not the allowable itemized deduction claimed on the federal return.

Credit for income tax paid to another Michigan city is claimed on line 21. Attach a copy of the other city's return to support credit.

If the total tax payments and tax credits, line 23, are less than tax liability, line 18, enter the tax due on line 24. If the tax due is more than \$1.00, THE TAX DUE MUST BE PAID WITH THE RETURN WHEN FILED, OR BY THE DUE DATE.

If line 23 is more than line 18, show overpayment to be donated on line 25 or refund requested on line 26 or credited to 2018 estimated tax on line 27.

The taxpayer, the spouse if a joint return, and the person preparing the return MUST SIGN THE RETURN.

CITY CREDIT WORKSHEET

CREDIT FOR TAX PAID TO ANOTHER MICHIGAN CITY

A resident shall be allowed a credit against the city income tax for the amount paid to the other municipality. The credit for tax paid to the other city is based upon income that is also taxable in Muskegon Heights. The credit shall not exceed the amount of taxes which would be assessed under the City of Muskegon Heights Income Ordinance on the same amount of income of a nonresident (.005). The credit allowed is the tax paid to the other city or 0.5% (.005) of the amount earned in that city during 2017, less exemptions allowed by the Muskegon Heights Income Tax, whichever is smaller. Proof of payment to another city must be submitted. Attach a copy of the return filed with the other city. No credit is allowed for tax paid to another city in another state.

A Muskegon Heights resident working in Grand Rapids, which has a non-resident tax rate of 0.75% (.0075), is only allowed a credit of 0.5% (.005) on their Muskegon Heights tax return. This is the maximum amount of credit that the ordinance allows for a resident working in another city with an income tax.

Part year residents:

Include income on line 1 of this worksheet only to the extent that is taxable by Muskegon Heights as a resident and taxable by another city that imposes an income tax as a non-resident.

1. Enter the income earned in another Michigan city that has a local tax.	1.	.00
2. Less: exemption amount from the Muskegon Heights return. Number of exemptions _____ x \$600.00	2.	.00
3. Subtract line 2 from line 1.	3.	.00
4. Rate.	4.	.005
5. Multiply line 3 by line 4. Enter here and on MH-1040 line 21 or MH-1040EZ line 10.	5.	.00

NOTE:

YOU MUST ATTACH A COPY OF PAGE ONE OF THE OTHER CITY'S RETURN.
