

Conceptual Meetings

The City of Muskegon Heights offers free conceptual meetings to those who seek guidance before submitting for their permits. Depending on the circumstances, the meeting may involve the City Manager, Building Official, Zoning Administrator, Fire Chief, Police Chief, Engineer or any other relevant staff. Those interested in setting up a conceptual meeting should contact the City Manager's Office at (231) 724-8870.

Please complete the following information and submit the City Managers Office before the conceptual meeting.

Contact Name	
Project Address	
Description of Project	
Funding/Abatements Requested	
Graphics or Site Plans (please attach)
